

2026 Forum Answers and 2022 Developer Donations: Current Pickering Council Members

Compiled October 17, 2026 from candidates' public financial statements (Form 4) for the October 24, 2022 municipal election, filed with the Pickering City Clerk

The question

The same question was put to candidates at two 2026 all-candidates forums, where candidates answered by holding up "Yes" or "No" signs: the Ward 2 City and Regional Councillor forum on October 6, 2026 ([full recording](#)), and the mayoral candidates' forum on October 7, 2026, organized by the Fairport Beach Neighbourhood Association ([Frequency / Wesal TV](#)). The question was:

"Will you accept campaign donations from individuals associated with the building and development industries?"

This report covers all seven current members of Pickering Council. Four of them answered the question at these forums; no public record was found of the other three members' answers. Their answers, and what their 2022 filings show:

Council member (office)	Answer at 2026 forum	2022 donations over \$100	From individuals with a documented developer link	Dated after voting day
Kevin Ashe (Mayor) – Oct. 7	Yes	\$83,450	\$21,700 (26.0%)	\$0 (0.0%)
Maurice Brenner (Regional Councillor, Ward 1)	No public record (acclaimed)	\$24,950	\$4,150 (16.6%)	\$1,200 (4.8%)
Linda Cook (Regional Councillor, Ward 2) – Oct. 6	Yes	\$3,900	\$1,200 (30.8%)	\$0 (0.0%)
David Pickles (Regional Councillor, Ward 3)	No public record	\$37,000	\$5,900 (15.9%)	\$1,300 (3.5%)
Lisa Robinson (City Councillor, Ward 1) – Oct. 7	No	\$15,850	\$5,450 (34.4%)	\$14,200 (89.6%)
Mara Nagy (City Councillor, Ward 2) – Oct. 6	Yes	\$690	\$0 (0.0%)	\$140 (20.3%)
Shaheen Butt (City Councillor, Ward 3)	No public record	\$31,650	\$12,150 (38.4%)	\$0 (0.0%)

- **Kevin Ashe** (Mayor, seeking re-election) answered Yes. His 2022 filing lists at least \$21,700 (26.0%) from contributors with a documented developer link, including \$7,200 from six members of the Apostolopoulos family at 186 Bartley Dr, Toronto, the head office of Triple Properties Inc., part of Triple Group of Companies (Durham Live, Pickering Casino Resort). All are dated before voting day.
- **Maurice Brenner** (Regional Councillor, Ward 1) was acclaimed in 2026 and faces no vote; no public record was found of his answer. His 2022 filing lists \$4,150 (16.6%) from contributors with a documented developer link: Ralph Del Duca and Steven Warsh (Chestnut Hill Developments), Jack and Aviva Eisenberger (Fieldgate) and Silvio De Gasperis (TACC Group).
- **Linda Cook** (Regional Councillor, Ward 2) answered Yes. Her 2022 filing lists \$1,200 (30.8%) from one contributor with a documented developer link, Steven Warsh (Chestnut Hill Developments).
- **David Pickles** (Regional Councillor, Ward 3) is seeking re-election; no public record was found of his answer. His 2022 filing lists \$5,900 (15.9%) from contributors with a documented developer link, including Chestnut Hill Developments, Dorsay Development, Fieldgate, Tribute Communities and \$1,200 from Stavros Apostolopoulos at 186 Bartley Dr.
- **Lisa Robinson** (City Councillor, Ward 1, running for Mayor) answered No. Her 2022 filing lists five contributions totalling \$5,450 (34.4% of her contributions over \$100) from members of the Apostolopoulos family, each listing 186 Bartley Dr. All five are dated November 23, 2022, after voting day.

- **Mara Nagy** (City Councillor, Ward 2) answered Yes. Her 2022 filing lists no contributor with a documented developer link; \$5,000 of her \$6,005 in contributions was her own money.
- **Shaheen Butt** (City Councillor, Ward 3) is seeking re-election; no public record was found of his answer. His 2022 filing lists \$12,150 (38.4%) from contributors with a documented developer link, the highest share on Council, including \$3,250 from five members of the Apostolopoulos family at 186 Bartley Dr, and contributors linked to Chestnut Hill Developments, Fieldgate, TACC Group, Dorsay Development, Geranium, SmartCentres and Tribute Communities.

2026 contributions will not be public until the 2026 financial statements are filed in 2027. The 2022 filings are the most recent public record of who has funded each council member.

All seven council members: 2022 at a glance

The same review was applied to the 2022 financial statement of every current council member. Members appear in order of office: Mayor, Regional Councillors by ward, then City Councillors by ward.

* 186 Bartley Dr, Toronto is the head-office address of Triple Properties Inc., a division of Triple Group of Companies (Durham Live, Pickering Casino Resort). Contributions from this address are included in the confirmed column. Voting day was October 24, 2022.

How contributions are categorized

- **Confirmed** (dark highlight): a published source identifies the contributor as an owner, executive or employee of a real estate development company, or the address on the filing is a development company's office.
- **Associate** (light highlight): the contributor shares a family name or listed address with a confirmed contributor, but no source names the contributor at the company.
- **Repeat** (grey): no developer link was found, but the same name appears in another member's filing. Addresses for the same name sometimes differ, so these may be different people. This category is not evidence of a developer link.
- **Unhighlighted**: no link found and the name appears in only one filing. These contributors may still have development ties that were not identified; all figures are therefore a minimum.

Percentages are of each member's contributions over \$100 from individuals other than the candidate. Residential addresses are omitted; they appear in the public filings, which are linked in each section.

Notes on the data

- Financial statements do not record contributors' employers. Company links come from the sources listed; some rest on business-directory or professional-profile listings (ZoomInfo, LinkedIn) rather than news coverage.
- Where a name appears in more than one filing with different addresses, this report does not assume they are the same person.
- Since 2018, Ontario's Municipal Elections Act has permitted contributions to municipal candidates only from individuals, not corporations or unions. For the 2022 regular election, the campaign period could continue past voting day to December 31, 2022.
- The Trillium reported that Mayor Ashe received \$22,600 in 2022 from a group of GTA developer "super donors" and their associates ([The Trillium](#)).
- Contributor names are spelled as on the filings, with minor normalization where the same person is spelled differently across filings.
